Calibrate paint options can be used on any paintable surface with the exception of Height Adjustable Table Desk legs. Paint options available for Height Adjustable Table Legs are indicated by an * next to the paint name and are graded as A.

Custom Paints

Special Paint Match Process & Ordering Instructions

To initiate a special paint match, please provide **three physical match samples** to your Customer Service Representative (CSR). These samples will be sent to our paint suppliers for evaluation and matching.

Match Process & Fees:

- A **non-refundable \$450 net match fee** is required to begin the process.
- Once viable matches are developed (pending vendor capability), we'll send the samples to the dealer for final approval.

Pricing:

- Pricing begins at the **Grade C paint tier**.
- If the custom color incurs additional costs beyond Grade C pricing, we will advise of any upcharges before order placement.
- A **minimum order of \$100,000 List** is required for special paint orders.
- The **\$450 match fee will be waived** if the order is **\$150,000 List or more** (and placed using the approved color).

Ordering Instructions (after color approval):

1. Dealer submits the **Purchase Order (PO)** and **Bill of Materials (BOM)** for the product requiring special paint.
2. The PO must clearly state:
"SPECIAL PAINT REQUIRED ON THIS ORDER"
— either in the header or special instructions section.
3. When selecting finishes:
— Choose the **Grade C Paint option**.
— **Do not select a final paint color**.
— **Leave the paint code blank** and use the skip option.

Tackboard Fabric Options

VERTICAL SURFACE FABRICS

Name	Grade	Name	Grade
Amaze	A	Lido	B
Anchorage	A	Marin	B
Avenue	A	Mirador	B

Ease	A	Purpose	B
Engage	A	Spinel	B
Expanse	A		
New England	A		
Pursuit	A		
Rainfall	A		
Simplicity	A		
Sprite	A		
Theory	A		
Twizzle	A		

Note: 66" & 72" wide screens – if applying directional fabrics they will need to be railroaded for application. If using a COM fabric that is 54" wide, any screen over 48" wide would need to have the fabric railroaded as well.

C.O.M. Fabric Policy

All COM requests (including approvals, testing, authorizations, and shipping) must be coordinated through the AIS COM Team at COM@ais-inc.com.

Approvals & Testing

- Pre-approved COM fabrics for Seating and Lounge can be found in COM Resources on DealerNet.
- Contact the COM Team to confirm if a fabric is approved for vertical surfaces.
- To test a COM fabric, fill out COM Testing Form, available in COM Resources on DealerNet, and send it to the COM Team. They will confirm the amount of fabric needed, shipping address, number to tag the fabric with, and other details of the testing process.
- Sending fabrics without prior coordination may result in delays.

Ordering Process

- Before submitting an order with COM fabric, complete a Fabric Authorization (FA) form, available in COM Resources on DealerNet, and send it to the COM Team, who will provide a new document with an FA number.
- Include the FA document with your purchase order when submitting on eOrders.
- Orders will not be entered until the FA document with the FA number is received.
- Graded-in fabrics may not be used for COM.

Shipping Requirements

- All COM fabrics sent to AIS must include the FA document.
- If a third-party vendor is shipping directly, you are responsible for providing them with the form.
- AIS is not responsible for fabric shipped without proper documentation or to the wrong address.
- When shipping, send tracking information and the FA number to the COM Team.

Yardage & Lead Time

- Lead time begins when AIS receives the COM fabric.
- Yardage requirements listed in the price list assume 54" non-directional, usable width materials.
- Directional fabrics will be railroaded.
- Please note for 66" & 72" wide screens: if applying directional fabrics, they will need to be railroaded for application. If using a COM fabric that is 54" wide, any screen over 48" wide would need to have the fabric railroaded as well.
- Contact the COM Team for fabric yardage requirements not listed.
- Refer to the conversion chart to calculate accurate yardage for fabrics with repeats. Percentages provided are for estimating only. Dealers must send additional fabric if shortages occur. AIS is not responsible for shortages.

Fabric Performance & Liability

- AIS reserves the right to reject any fabric unsuitable for upholstery.
- COM approval confirms upholsterability only. It is not a warranty of appearance, durability, or performance.
- AIS is not responsible for wrinkling, fading, stretching, dye lot variations, color inaccuracies, or flaws in COM upholstery materials. While AIS inspects for mill imperfections, not all flaws are detectable.

At AIS, we take great pride in offering a diverse selection of high-quality materials including but not limited to textiles, laminates, PET, mesh, etc. However, AIS cannot guarantee uniformity in dye lots across different production runs. As such, AIS is not liable for any variations in dye lots or color discrepancies in any of our products that may occur between orders. We encourage customers to review samples for color and texture matching prior to purchase. We are committed to providing exceptional products and are confident that our selection of textiles will meet your expectations for both aesthetic appeal and durability.

General Construction Details

- Storage elements have 3 /4" thick case construction with 1mm edge.
- Laminate door and drawer faces are 3 /4" thick.
- Laminate doors and drawers are inset.
- Metal feet are paintable and adjustable up to 1" for leveling.
- Units are finished all over, including top, back, and inside.
- Shelves match laminate case selection.
- All fronts have vertical grain matching.
- Every laminate panel part is edge banded on all sides.
- All backs are finished.

Assembly Details

- Storage elements ship fully assembled.
- Hutches need to be placed on top of credenzas.
- Tackboards need to be installed inside of hutches.
- External hardware such as metal legs, handles, and locks need to be field installed; holes are pre-drilled.

Locks

- Locks are optional.
- 2 keys provided per lock.
- Key alike options are available per storage unit.
- Five lock options are offered:
 - A - No lock required
 - B - Black Lock
 - C - Silver Lock
 - D - No lock w/ black T-ring for keyed-alike or Digital Lock*
 - E - No lock w/ silver T-ring for keyed alike or Digital Lock*

Lock cores and trim rings do not ship installed.

*Keyed alike lock cores must be ordered separately.

Tackboards

- Tackboard material choice of fabric or PET.
- Tackboard fabric direction is vertical on 24" to 48" wide units and will run horizontally for 54" to 96" wide pieces.
- PET tackboards have no pattern direction.

Product Details

Rhett Storage on Feet

Rhett storage on feet include a glide that allows for 1.25" of leveling capacity.

Handle Options

- Six handle options are available:
 - Bar Pull
 - Loop Pull
 - L Pull
 - Rectangular Pull
 - Round Knob
 - No Pull/Pre-Drill (pull from others and installed on site)
- All handles are available in any graded paint selection.
- The bar pull, rectangle pull, and round knob are available in brushed nickel finish as is without paint.
- The loop pull is available in bright metal finish as is without paint.
- The L pull is only available with paint finish selection.

Bar Pull – 13"

Bar Pull – 7"

Specify	Notes
• Laminate Selection for Case	• Handles can be painted in any AIS Grade A, B or C color. The loop, bar, and rectangle pull are also available unpainted. Grade C paint selection incurs a \$10 upcharge.
• Laminate Selection for Front	• Lock cores and trim rings ship separately.
• Handle Selection	• One core removal key will be included for every 25 units on an order (1-25 units receive 1 core key; 25-50 units receive 2 core keys, etc.). Additional core removal keys can be purchased separately; refer to the Accessories section.
• Handle Paint Selection	• 21"H hutch unit includes open storage and tall door.
• Lock Selection	• Short door bar pull option is 7", tall door bar pull handle option is 13".
	• Double-sided tape included to attach hutch to credenza.
	• See height guide for credenza and hutch height combinations.
