# ITZEE

## Seating Family

The lightweight Itzee side chair and stool bring sleek, modern design and a slim profile to any workspace. You'll enjoy the soft organic curves and waterfall edge that provide the comfort of a fully upholstered chair.

The vast array of upholstery options available and the fine seam detail add an extra touch of elegance for your next interaction. Itzee's sinuous lines are celebrated through its one-piece shell construction.

Itzee always makes a stylish impression whether you're gathering at the counter, table, or engaged in the private office.

## Features & Options

- Family of seating including bar stool, counter height stool, and side chair make specification easy for a coordinated environment
- Fully upholstered one-piece shell
- Standard and Alliance Upholstery Program materials available
- Two base options: four leg with black glides or sled base with clear glides
- Meticulous seam detail
