

E Series

Height-Adjustable Tables

AIS

EASY & EFFICIENT. E SERIES HEIGHT-ADJUSTABLE TABLES.

The E Series means business and delivers convenient height-adjustability for users. Pair the E Series table with screens, worksurface power access or an anti-fatigue mat for even greater user support.

You'll appreciate all that E Series offers:

- Electronic adjustment with soft start/stop and four memory presets
- Travel speed: 1.18" per second
- Dual motors (one in each leg)
- Soft collision technology that halts and retracts when table surface meets resistance
- 26.26" to 45.94" (no top) height adjustment range
- 250-lb. lifting capacity and two-stage legs
- 42.25" to 74" adjustable base width
- Adjustable leveling glides
- Choose from metallic silver, black or white leg finish
- Standard with rectangle tops
- Rectangle top available with radius corners option
- Standard with two legs only
- Standard with T Foot
- Height-adjustable base kits may be purchased separately

Shown with white leg finish.

Shown with black leg finish.

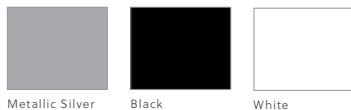

Finish Options

The E Series is offered in all the AIS laminates*, making it easy to integrate with all AIS solutions.

*Grade A laminates shown.

Leg finishes offered in Metallic Silver, Black and White:

Optional power can be specified above or below the worksurface, ensuring users can easily plug in and power up.

Consider screens, single or dual monitor arms, and anti-fatigue mats for greater user comfort and productivity.

Control Pad features four memory presets.
