AIS Pulls provide a durable, design-forward hardware solution available across our laminate casegoods portfolio. Offered in all standard AIS paint colors, they make it easy to create a cohesive look throughout a space.

Features

- All pulls are available in Grade A, B, & C paints
  - *∗L Pull & Slim Pull are offered in painted finishes only and not available in raw metal*
- Slim Pull is available on Calibrate laminate storage drawers only. Not available on Calibrate laminate doors, L Series or AIS CaseWork products
- Calibrate combination units specified with Slim Pull drawers will feature standard touch-to-open doors without pulls
- *Note: Slim Pull upcharge applies (See pricelist)*
