Better in black

Black has a way of revealing what matters most. This monochromatic finish draws attention to thoughtful details — the precision of every reveal, the elegance of every pull, and the lightness of its elevated silhouette.

Rich, sophisticated, and undeniably modern, a black finish transforms practical storage into furniture worthy of the spaces it inhabits.

Built-In Confidence

Designed for effortless organization, Rhett pairs full-extension drawers with clean inset fronts for a refined, elevated appearance. An integrated single-drawer interlock system allows only one drawer to open at a time, helping prevent tip-over and enhancing user safety. Smooth ball-bearing slides, black drawer interiors, chrome hardware, and adjustable shelving complete the design with lasting performance and adaptable storage.

DETAILS THAT DEFINE

A tailored blend of AIS Calibrate flexibility and Casework's-inspired detailing, Rhett introduces distinctive design elements that set it apart.

Every element serves a purpose. From soft, tailored profiles to carefully crafted hardware and elevated legs, Rhett transforms storage into a design statement.

Thoughtfully Hidden

Designed to disappear into the architecture of the space, Rhett's integrated three-bin waste and recycling cabinet delivers everyday functionality without compromising aesthetics. Sleek elongated round pulls complete the look with understated elegance.
